

Maine Farmers' Market Convention

Sponsorship Form

The Maine Farmers' Market Convention draws market managers, vendors, and community supporters from all over the state. This event has provided critical business training and networking opportunities for those in the farmers' market industry for the past three years. Attendance at the convention continues to grow, reaching well over 100 participants last year.

We expect that number to rise as we have moved the venue this year to the Harraseeket Inn in Freeport.

Please support this important community and economic development opportunity through the sponsorship opportunities below. We look forward to partnering with you!
