

Affordable Care Act Health Navigator Program

Provides free in-person assistance from a Certified Healthcare Navigator with all aspects of Marketplace coverage including determining eligibility, comparing and explaining options, accessing tax credits, and applying and enrolling in coverage. We are also available for follow up appointments for questions after your coverage begins and can refer to health insurance assistance programs when needed.

For an appointment in Blue Hill, Ellsworth or Machias please call 1-833-258-6078 or 207-662-2424

**Open Enrollment this year is November 1, 2017
through December 15, 2017.**

Do you still need health insurance this year? Have you had a life-changing event? Do you qualify for a Special Enrollment? You may be able to sign up for an affordable health plan right now! Click the link below to see if you qualify.
